Ice Hockey Rules

Guidelines for the Mite ADM Division for the Fun in the Sun Tournament

- Two games played at one time; all Mite games will play on ½ ice sections.
- All teams will get 3 regular games, plus either a consolation or playoff game.
- Game times for the Mite ADM Division are two 30-minute running time periods with a 3-minute warm-up and 2-minute break between halves.
- In compliance with the USA Hockey ADM program, players will make a line change every 90 seconds by the sounding of the horn. Players immediately line up at the center zone face off.
- Each team will play 4 skaters and one goaltender.
- A penalty shot will be awarded for any minor penalty infraction.
- Off sides are permitted but a goal scored by a shot taken from the opposing zone across the center zone will not be awarded.
- All stoppages of play due to frozen or pucks out of play will result in a center zone face off.
- The first team to reach 5 goals will cause the score to reset to 0. This process is repeated until both 30-minute periods have been exhausted. The score sheet will show the total score for all periods of play.
- Mite ADM nets will be used for all Mite games.
